

# fresh science

2015

**AT THE PUB**

**DINNER**

**3 AUGUST 2015**

**DRINKS**

**SCIENCE**

Using rhyme, reason and the odd firework, ten early-career scientists will share their discoveries over a beer

Previously we've heard about:

- 💡 Dirt-munching bugs
- 💡 Worm spit that heals then kills
- 💡 Orange-flavoured jet fuel

*What's fresh this year?*
